Dear Friends:

Thank you for your financial donation of \$176.00 on November 02, 2017 to The Caring Place. You are having a direct impact on families in financial crisis in our community.

For example, Danielle came to us with no money and no place to live. Because of donors such as you, we were able to provide her with food and housing assistance. Once she got on her feet, we provided her with a set of clothes so that she could go on a job interview.

"In that outfit, I felt like a person - the person I knew was inside me that I had forgotten . . . The Caring Place was always there for me. I regained my faith that there are good people in the world."

You are providing tangible help and hope every day to people such as Danielle because of your donation. And you can rest assured that 100% of every dollar you donate goes directly to serving people in crisis.

Thank you for helping people such as Danielle and so many others and for believing in our mission. With your continued support, we will be able to serve even more people in need in our growing community. We deeply appreciate your generosity.

With Warm Regards,

Stephen Benold
President, Board of Directors
